

olifantsberg OLD VINE CHENIN BLANC 2024

The varietal range is our scratching the surface. Honest is the word that best describes the wines of Olifantsberg – wines that reflect the legend of Olifantsberg and its distinct personality. The different vineyard batches of each variety are all vinified separately and then carefully blended together to showcase the full varietal character and nuances of the grape.

WORLD CLASS WINES

Working with old vines is important to us, to build a deeper understanding of the development of a vineyard - and every vintage gifted is a chance to discover a new dimension.

CLONES Unknown

VINEYARD

A single vineyard bush vine, planted in 1982 and located in the Breedekloof Valley.

Due to the age of the vines, you do find some growth differences within the vineyard, some vines will be bigger and their foliage denser or closed, while some are smaller and their foliage more open or sun exposed. We pick according to these differences within the vineyard.
