

# SIXPENCE RANGE

## *Sauvignon blanc / Semillon 2025*

### CULTIVARS

60% Sauvignon blanc / 40% Semillon

### NOTES FROM THE WINEMAKER

This wine is loaded with loads of fresh tropical fruit with a vibrant acidity and a well-rounded finish. What's especially pleasing is that the fruit cocktail aromas of melon, passion fruit and peach carry through from detecting it on the nose to also experiencing it on the palate. This wine should be enjoyed every day!

### SIXPENCE'S STORY

Sixpence was the nickname given to shepherd Daniel Smiles who looked after the flocks of sheep that roamed our farm in the 1950s and 1960s. Over time the farm increased the amount of land under vine and stopped farming sheep. Vineyards were planted on what had been grazing land, and they have been referred to as Sixpence's Vineyards ever since. Sixpence's son, Andries retired in 2010, after 35 years of service to Opstal. The Sixpence range is a tribute to not only Sixpence, but all the legends that have worked on Opstal. With third generation workers living and working on the farm, we are proud to honour those that have helped to make Opstal a success. Today, the Sixpence Range is a vehicle of hope and prosperity for our very own protected farming community within the beautiful Cape Winelands.

### ANALYSIS

Alcohol % (V/V)	13.29
Residual Sugar (g/l)	3.2
Total Acidity (g/l)	5.8
pH	3.40
